

Welcome to 3rd grade!

I am thrilled to be sharing this special year of growth with you and your child! We are going to have a fun year full of lots of learning, making friends, and new discoveries!

Dear 3rd grader,

I am so excited for you to be part of our classroom community! I can't wait to meet you and work with you this year. In 3rd grade you will have fun, make new friends and expand your knowledge! I will see you on Wednesday, August 23 for our first day of school. Just a reminder that it will be a half day. Enjoy the rest of your summer!

About Ms. Snow

Hi, my name is Elizabeth Snow and this will be my 15th year teaching. I recently moved back to Chicago after teaching for 9 years in Santa Monica, California. I taught in New York City and Skokie before that. I have an undergraduate degree in elementary education, a master's degree in reading, a reading specialist license and an educational therapy credential. I grew up in Lake Forest and am so happy to be back in the north shore!
