

MS. BISHOP

HOUSE 4 SCIENCE & SOCIAL STUDIES

WELCOME TO SIXTH GRADE!

Hi! I'm Ms. Bishop and I'm so excited to be your teacher! I teach Science to the students in House Four and Social Studies to the students in my homeroom. Sixth grade is AWESOME!

Our Science and Social Studies classes are full of interesting topics and activities - I can't wait to explore them with you!

ABOUT ME

I've been teaching for ten years and this is my eighth year at Highcrest. I also attended Highcrest as a middle schooler! In undergrad, I studied Biological Anthropology and Zoology at Michigan (Go Blue!). I have a master's in Elementary Education from DePaul and am working on a second master's in Educational Leadership at NEIU. In my free time, I like to go to Cubs games and concerts with my husband, play hockey, read, and hang out with my dog, Roo.
