

Mrs. Elizabeth Dubis

6TH GRADE MATH & SS

WELCOME

I am excited to welcome you and your child to our class this school year! It's safe to say that 6th grade is my absolute favorite and I hope in a few short weeks that you will feel the same. I have a passion for teaching and learning and can't wait to spend this year making new memories with you.

EXPERIENCE

It's hard to believe this is my 15th year of teaching. I've also taught 8th grade science, 5th grade math and science and high school math in the Peace Corps in Lesotho, Africa.

FAVORITES

I love ice cream, tacos, and hiking. Outside of school you can find me spending time with my husband Peter, our daughter Eloise (7 months) & our pup Maeby.

Squeeze out every last bit of summer fun in the days ahead. In the meantime, know that I can't wait to get to know you this year!
