

Welcome to House 1! My name is Mrs. Zorger, and this year I'll be teaching four sections of math and one section of social studies. This will be my 9th year in Wilmette and 18th year in education. I hold a B.S. in Inclusive Elementary and Special Education from Syracuse University and a M.S. in Teaching Elementary Mathematics from University of Illinois Chicago. This summer I enjoyed Evanston with my husband and two young children. We also visited family and friends along the east coast. The highlights were swimming at the Delaware beaches, a game at Fenway Park, and a lobster dinner in Maine. As summer comes to an end, I hope you had a relaxing, rejuvenating, and happy few months. I look forward to working together, and I know we will have a successful year!
