

HMS 2023-2024

WELCOME TO 5TH GRADE

A WELCOME MESSAGE BY MRS. PROROK

Hello, my name is Mrs. Prorok. Welcome to 5th Grade! I'm so happy that I'm going to be one of your teachers this school year. I teach homeroom, math, science, and social studies. I have been teaching for 14 years and I can honestly say that I love it.

Fifth grade is full of exciting adventures and several hands on learning opportunities that are sure to make for a meaningful and eventful school year.

I hope that your summer has been full of rest, relaxation, and most importantly a little fun. My summer was spent hanging out with my husband and three sons, Jackson (8), Beckett (6), and Colton (3). We spent time playing games, building puzzles, and even took a trip to Disney World!

Even though this summer was wonderful, I can safely say I am very excited to begin another year at Highcrest and to meet all of you! I love working with middle school students because I know together, our learning possibilities are endless. I am anticipating a great year and am eager to see all that we can accomplish as we work together to meet and exceed our goals!

END OF SUMMER SUGGESTIONS

- ☒ Take pictures of yourself and your loved ones (pets included).
- ☒ Start thinking of some of your favorite things (favorite food, color, hobby, book, movie, tv show, etc.)
- ☒ Find a place at home that you will be able to charge your school iPad every night.

FRIENDLY REMINDERS FOR THE 1ST DAY!

- Wednesday, August 23rd is a half-day (8:50-11:46am)
- Bring your school supplies, smile, and your favorite joke with you.
- Our classroom (Room 149) can get quite warm, so make sure you bring a water bottle every day.
