

Dear Students and Parents,

Welcome to Highcrest Middle School! My name is Mr. Brady, and I am very excited to be your homeroom teacher this year. In addition, I will also be teaching you math, science, and social studies. You will go to another teacher in our house for reading and writing. I know you are probably feeling excited, and maybe a bit nervous, to come to Highcrest this year, but I promise that this year will be a great experience for all of us!

I can't wait to get to know each and every one of you, but in the meantime I will tell you a little about myself. Last year was my first year working at Highcrest, but prior to that I worked as a paraprofessional and maternity sub at Wilmette Junior High. Before that, I graduated from the University of Illinois with a degree in Elementary Education.

I currently live in Mount Prospect and I'm looking to get some pets very soon! Outside of school I love to cook and bake, spend as much time as possible with friends and family, and I also enjoy exploring around my town.

I am looking forward to meeting you all on the first day of school on September 5th. This will be a half day (8:50-11:45) in which you will get to know each other, myself, the rest of your teachers, and familiarize yourself with the school.

If you would like to email me before school starts to tell me about yourself and your summer, my email is bradyc@wilmette39.org. I wish you a great rest of your summer vacation, and I look forward to starting our learning adventure soon!

Sincerely,

Mr. Brady
