Dear 5th Grader,

Welcome to Highcrest Middle School, home of the Hawks! My name is Ms. Sarich and I will be your homeroom teacher and I also teach math, science, and social studies. For reading and writing, you will go to Mrs. Essary.

Throughout the school year, you will be learning new and exciting things in each one of your classes. At Highcrest Middle School there are many ways you can get involved. We offer band, orchestra, choir, as well as clubs and sports.

During the first few weeks of school we will be going over everything you will need to know as we begin to build a community together. I am so excited for this school year and seeing you all make strides in your educational endeavors. I am looking forward to meeting you all!

Sincerely,

Ms. Sarich
