About Me

I'm thrilled to be back at Highcrest for my 9th year! I hold a Bachelor's Degree in Elementary Education from University of Illinois at Urbana-Champaign and a Master's Degree in Reading from Concordia University. I love yoga, traveling, cooking, and reading every middle school book I can get my hands on. This summer, I was lucky enough to spend all of my time with my daughter, Ella. I am so excited to continue working with all of the House I teachers, and I can't wait to meet all of our new students.
