

Hello Highcrest Families,

My name is Mrs. Maura Whiston, and I'm the Learning Behavior Specialist (LBS) for House 2. This is my 24th year teaching, 21 of which have been spent at Highcrest. I grew up in Chicago and later attended Prospect High School. I received my BA from Benedictine University, my MA from Northeastern Illinois University, and my Middle School Endorsement from National Louis University. I currently live in Mt. Prospect with my husband Dave, a stock strategist, and my almost eleven-year old son, Jack. Outside of school, I enjoy travel, cooking/baking, gardening, and cross stitching. I am excited to get to know your students this year and am looking forward to another great year at Highcrest!

This year, I am co-teaching in Mrs. Espinoza's morning ELA class and one of Mrs. Dubs' afternoon math classes. I will also be teaching an instructional math class and two sections of Academic Strategies.

Feel free to follow me on (what was formerly known as) Twitter! I often Tweet about things that are going on in the House, along with helpful articles/resources about students and learning. My YouTube channel also has some helpful videos for students. My website will be updated closer to the start of the year as well. This is a good place for parents to easily access important special education documents and forms.

Enjoy the remainder of summer!

Maura Whiston
